**NIGHTTIME DETOUR ON EVERETT TURNPIKE IN NASHUA
TRAFFIC TO BE DIVERTED ONTO EXIT 1 TO ALLOW FOR
BRIDGE DEMOLITION ON U.S. ROUTE 3 IN TYNGSBOROUGH**

The New Hampshire Department of Transportation announces a nighttime detour of traffic will take place on the F.E. Everett Turnpike in Nashua on Tuesday, November 6, 2001.

This detour at Exit 1 will allow for the planned demolition of a bridge structure over U.S. Route 3 in Tyngsborough as part of the Route 3 reconstruction project.

Beginning at 11:00 pm on Tuesday, November 6, southbound traffic on the Everett Turnpike in Nashua will be detoured at Exit 1 onto Spit Brook and the Daniel Webster Highway, and then back onto Route 3 in Tyngsborough at Middlesex Road.

Northbound traffic on U.S. Route 3 in Massachusetts will take the same detour in reverse, but will be able to enter the Everett Turnpike at a northbound on-ramp across from the Pheasant Lane Mall on the Daniel Webster Highway in Nashua.

This detour will be in effect until 5:00 am on Wednesday, November 7.
